AMENDMENT

Sir:

Responsive to the Office Action mailed January 27, 1997, in the above-identified application, please amend the application as follows. A Petition for an Extension of Time for three months, up to and including July 27, 1997, and the appropriate fee for a small entity, are enclosed with this response.

In the Claims

1. (five times amended) An analog of a protein selected from the group consisting of complement receptor 1, complement receptor 2, decay accelerating factor, membrane cofactor protein, C4 binding protein, and factor H, and those complement regulating proteins wherein the carboxy terminus is removed to allow the protein to be secreted, wherein said protein analog is selected from the group consisting of complement regulating protein analogs containing short consensus repeats
